A large, hand-drawn speech bubble with a black outline and a tail pointing towards the bottom right. Inside the bubble, there is a paragraph of text in a cursive font.

*There would be a time when  
“the balls [bullets] would fly  
around him like hail, and he should see  
his friends fall on the right and on the  
left,” but he would not be hurt.*

*“We have had too much trouble  
to bring Old Joe here to let him ever escape alive,  
and unless you want to die with him you had better leave  
before sundown; ... and you’ll see that I can prophesy better  
than Old Joe, for neither he nor his brother, nor  
anyone who will remain with them will see the  
sun set today”*

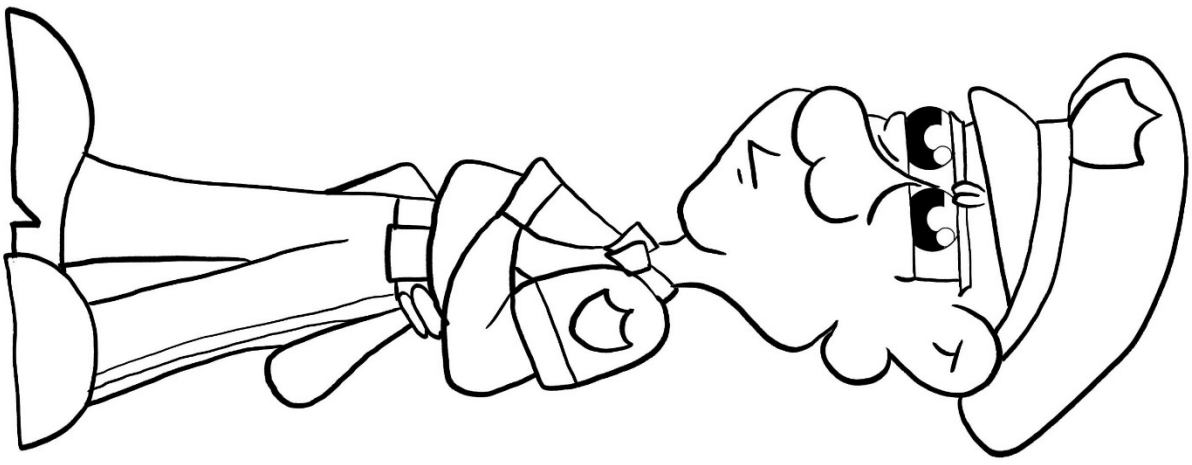

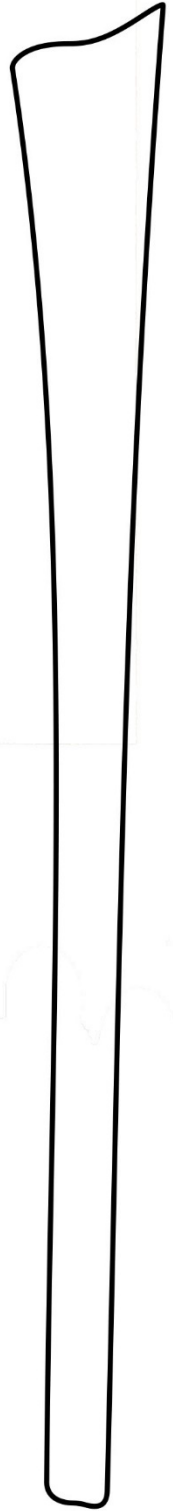

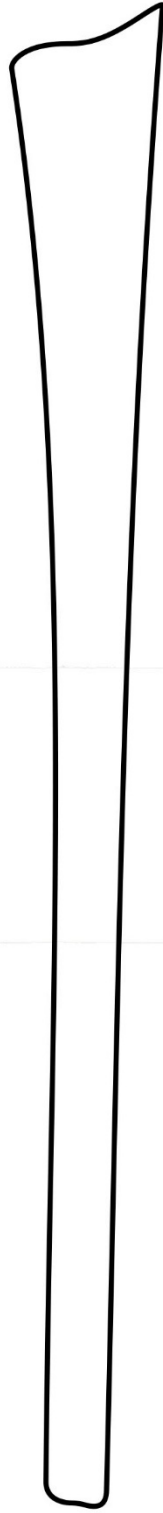

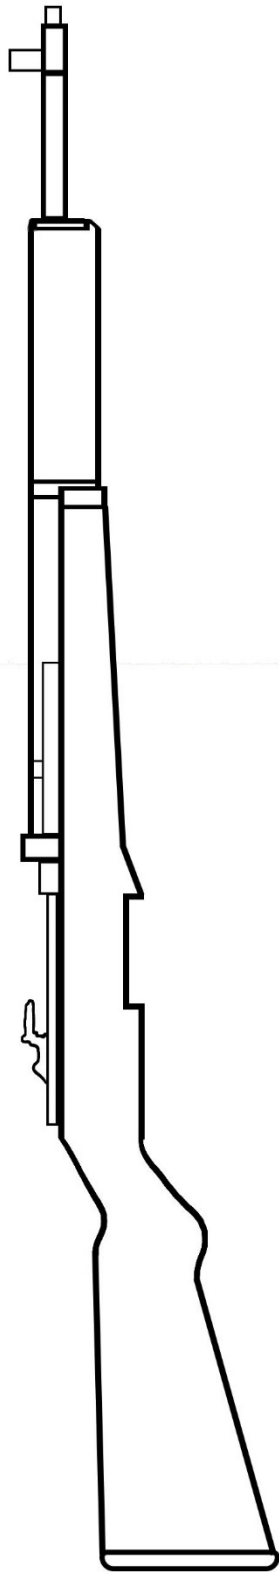

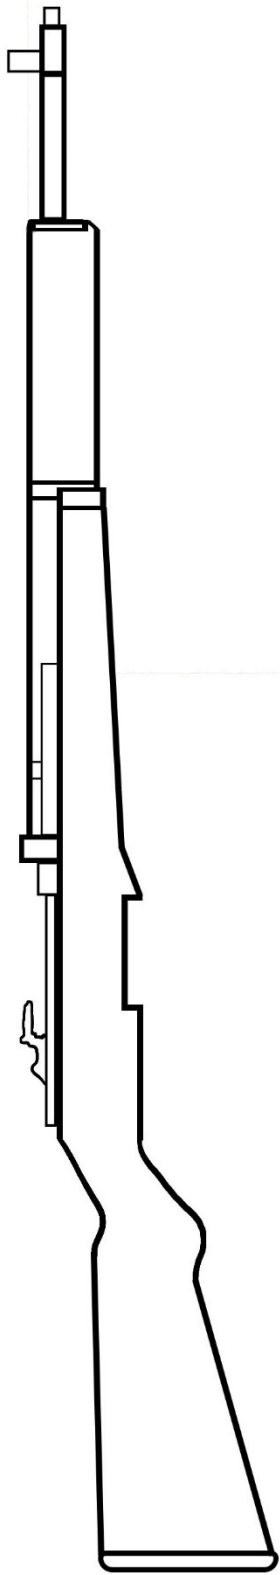

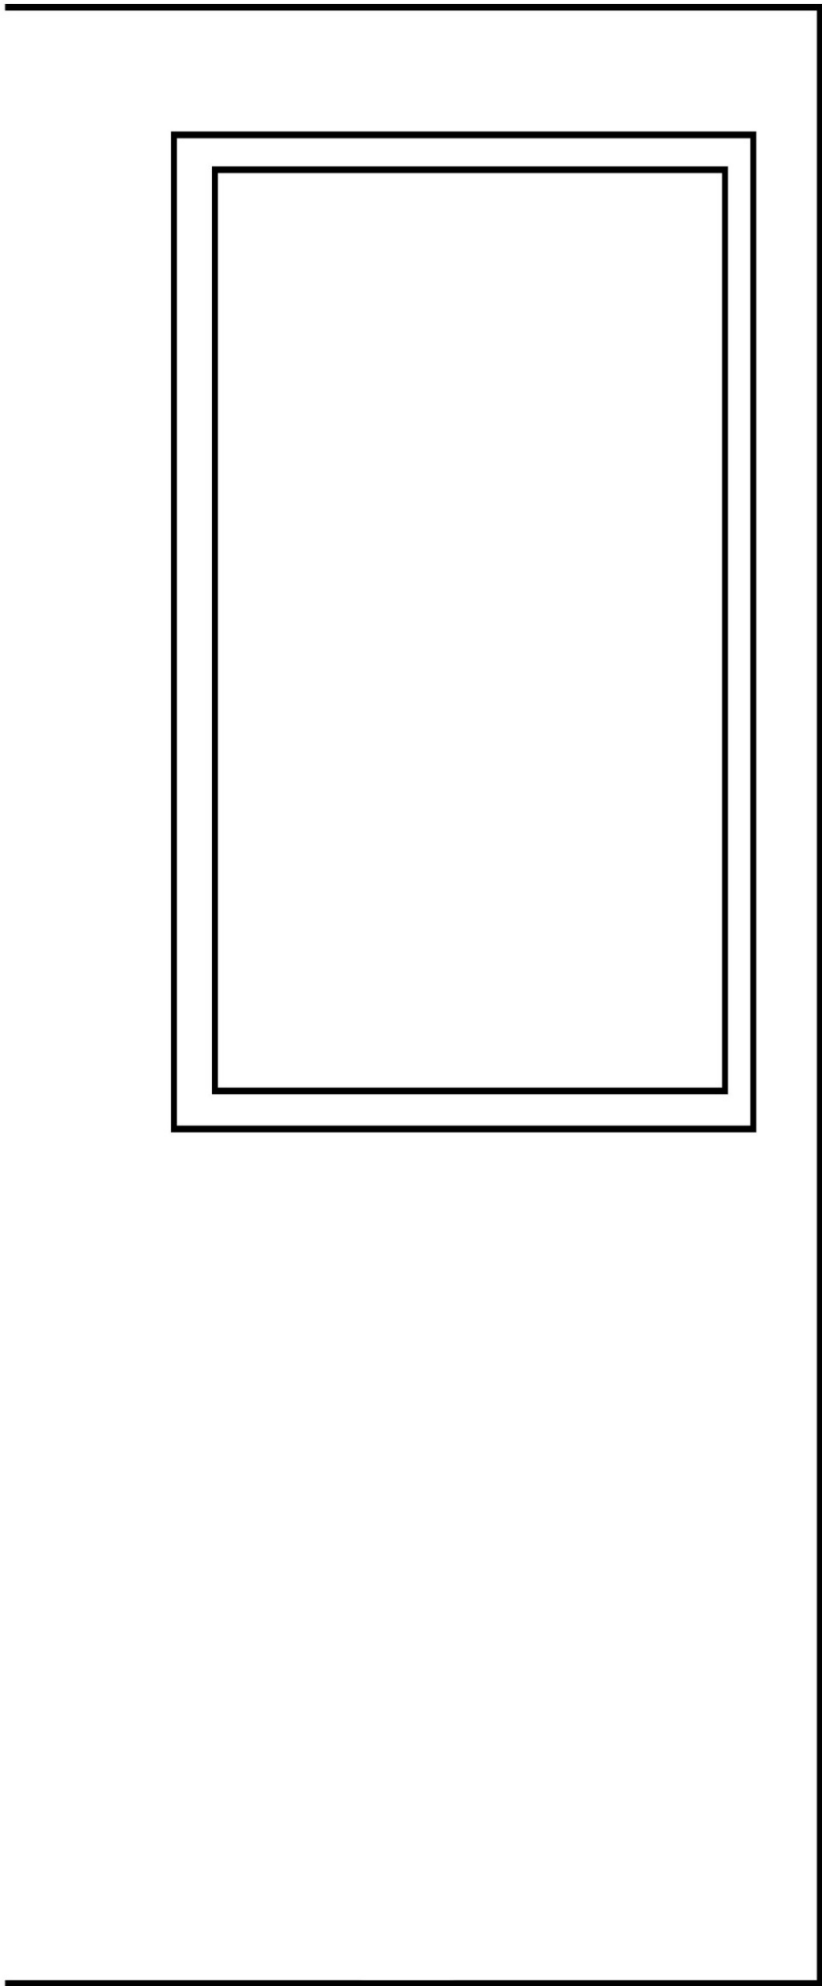

*"I am going like a lamb  
to the slaughter, but I am calm as a  
summer's morning. I have a conscience void  
of offense toward God and toward all men.  
If they take my life I shall die an innocent man,  
and my blood shall cry from the ground for  
vengeance, and it shall be said of me 'He  
was murdered in cold blood!'"*

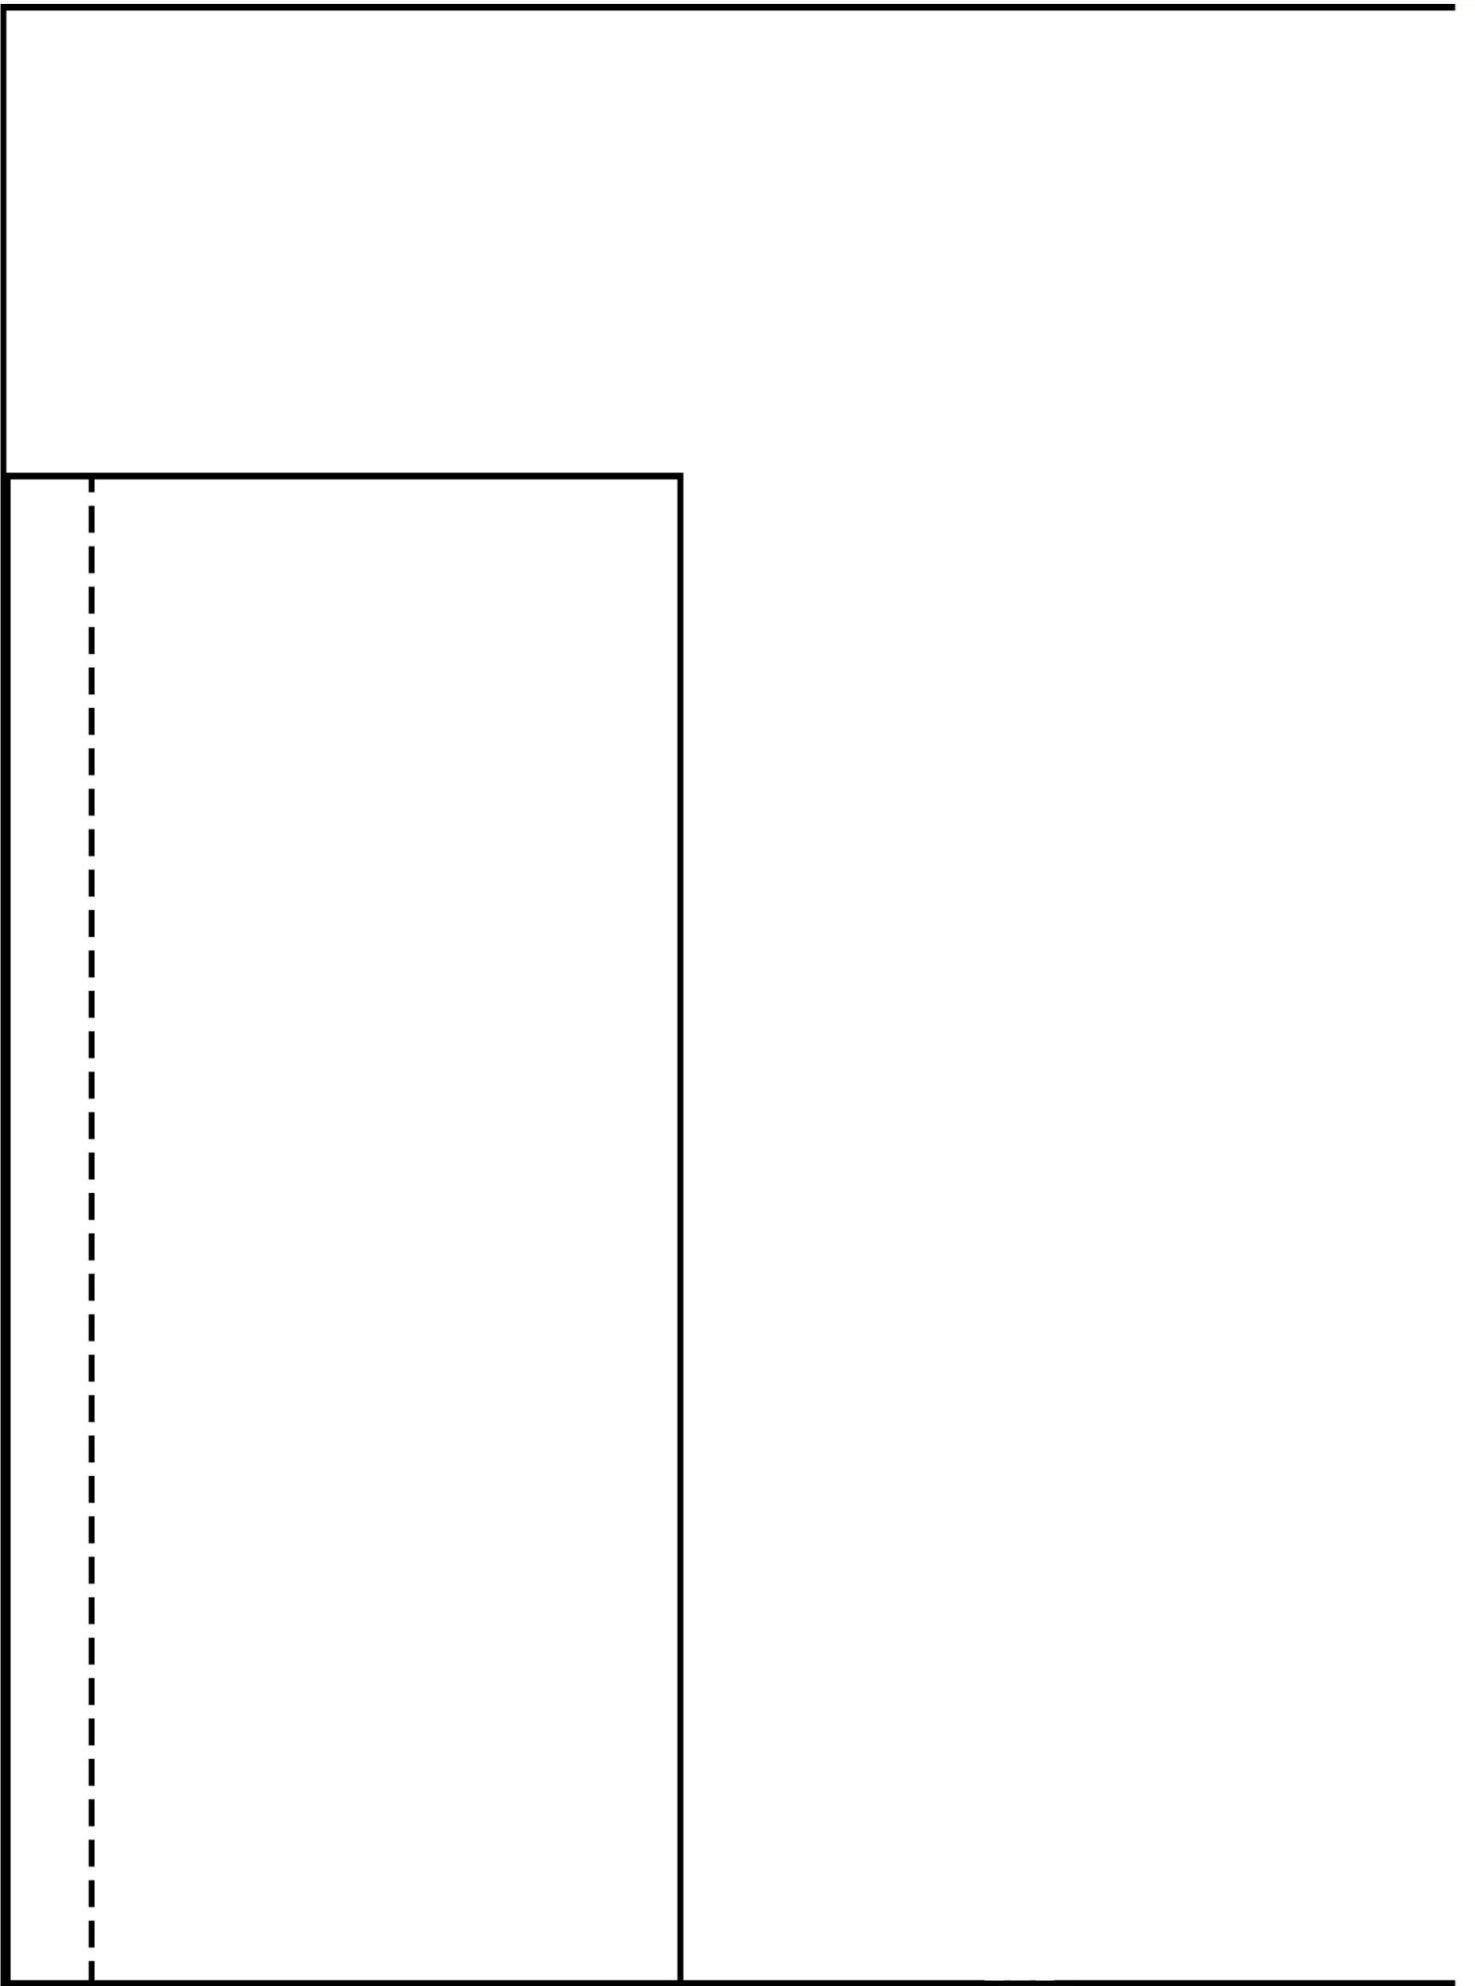

*“Let us go back  
and give ourselves  
up, and see  
the thing out”*

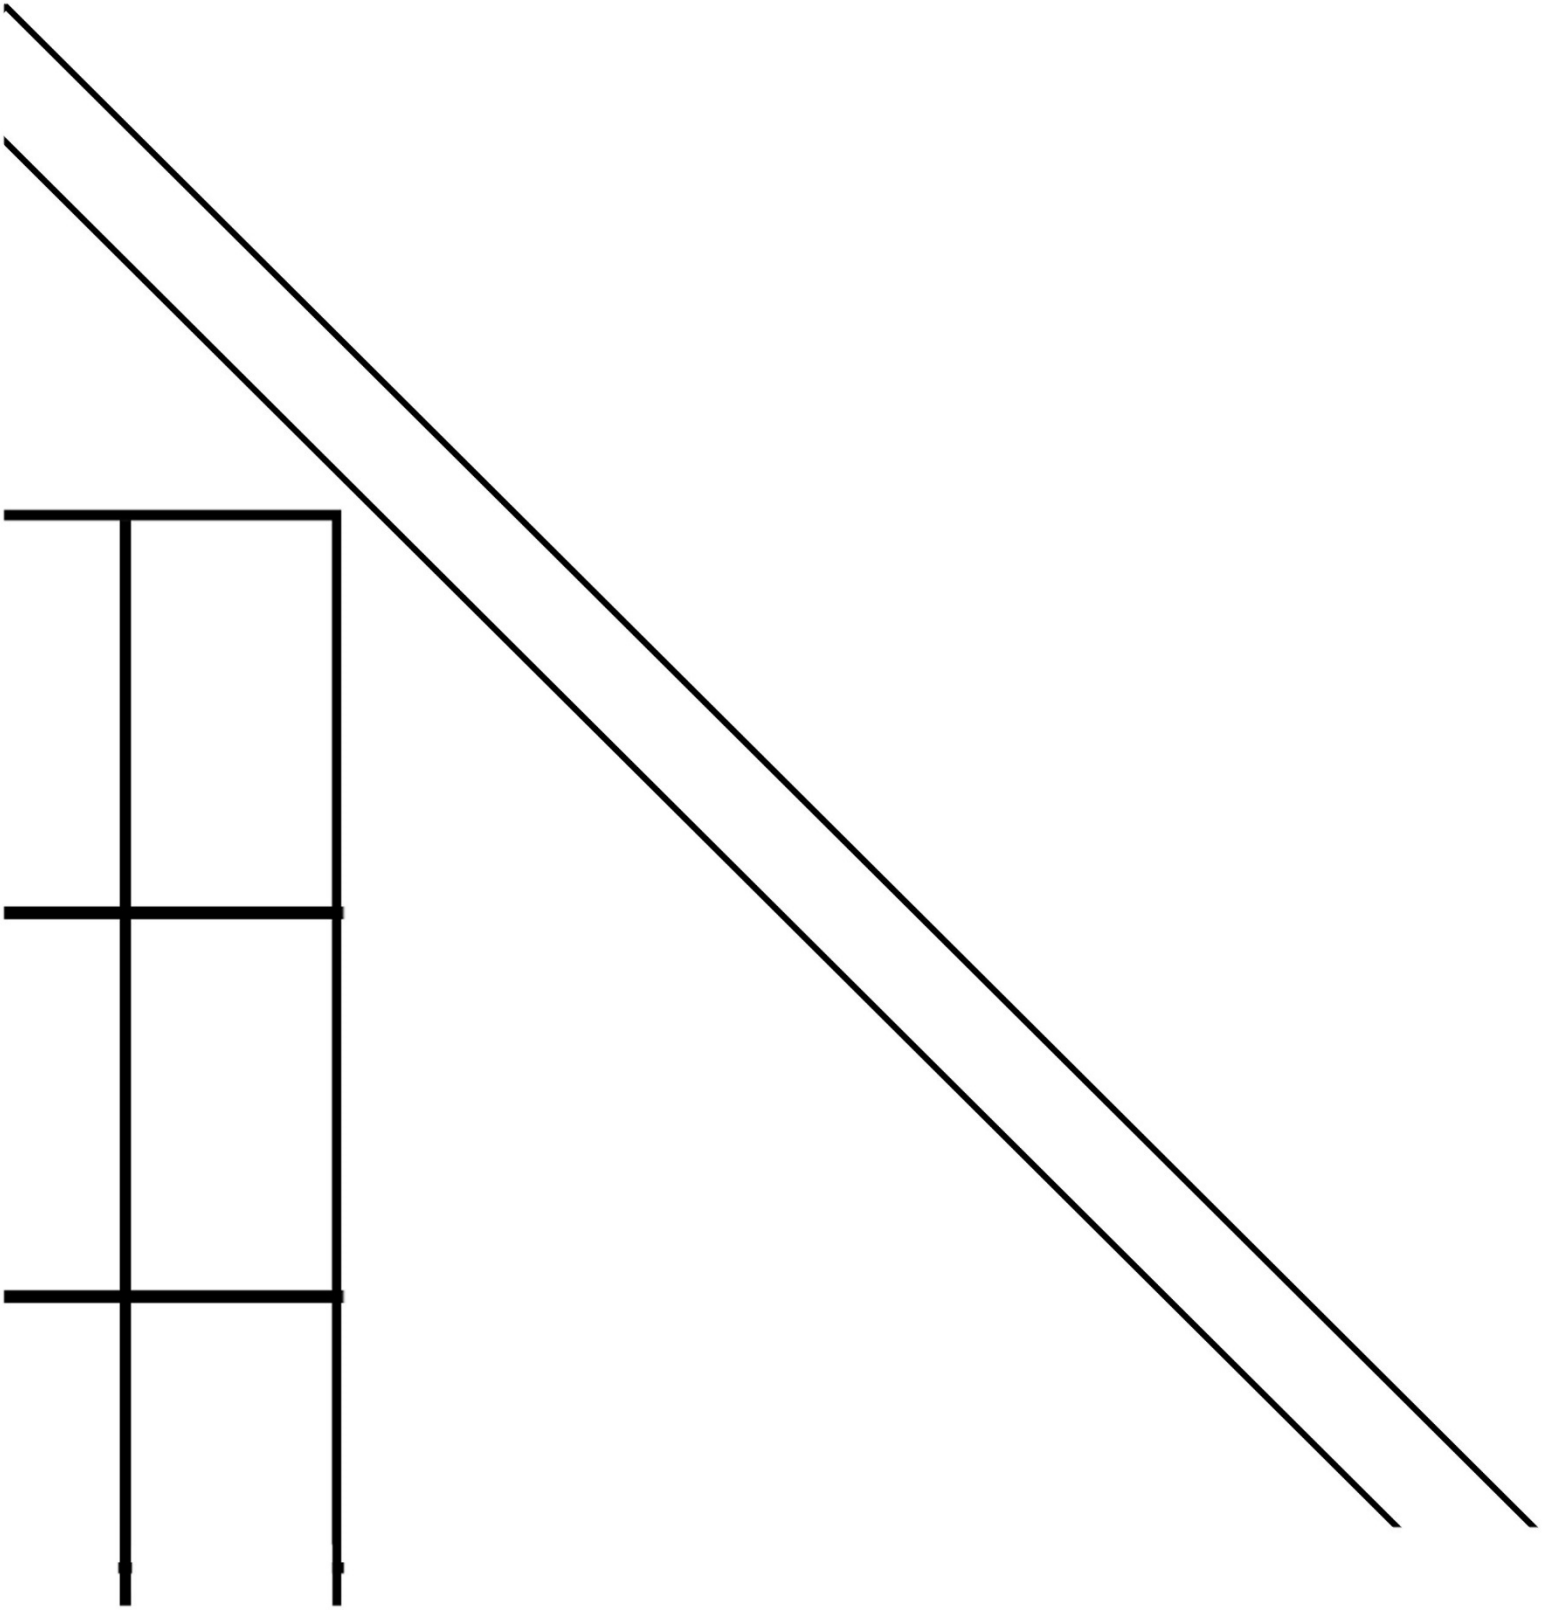

*“If my life is of  
no value to  
my friends it is  
of none to me.”*

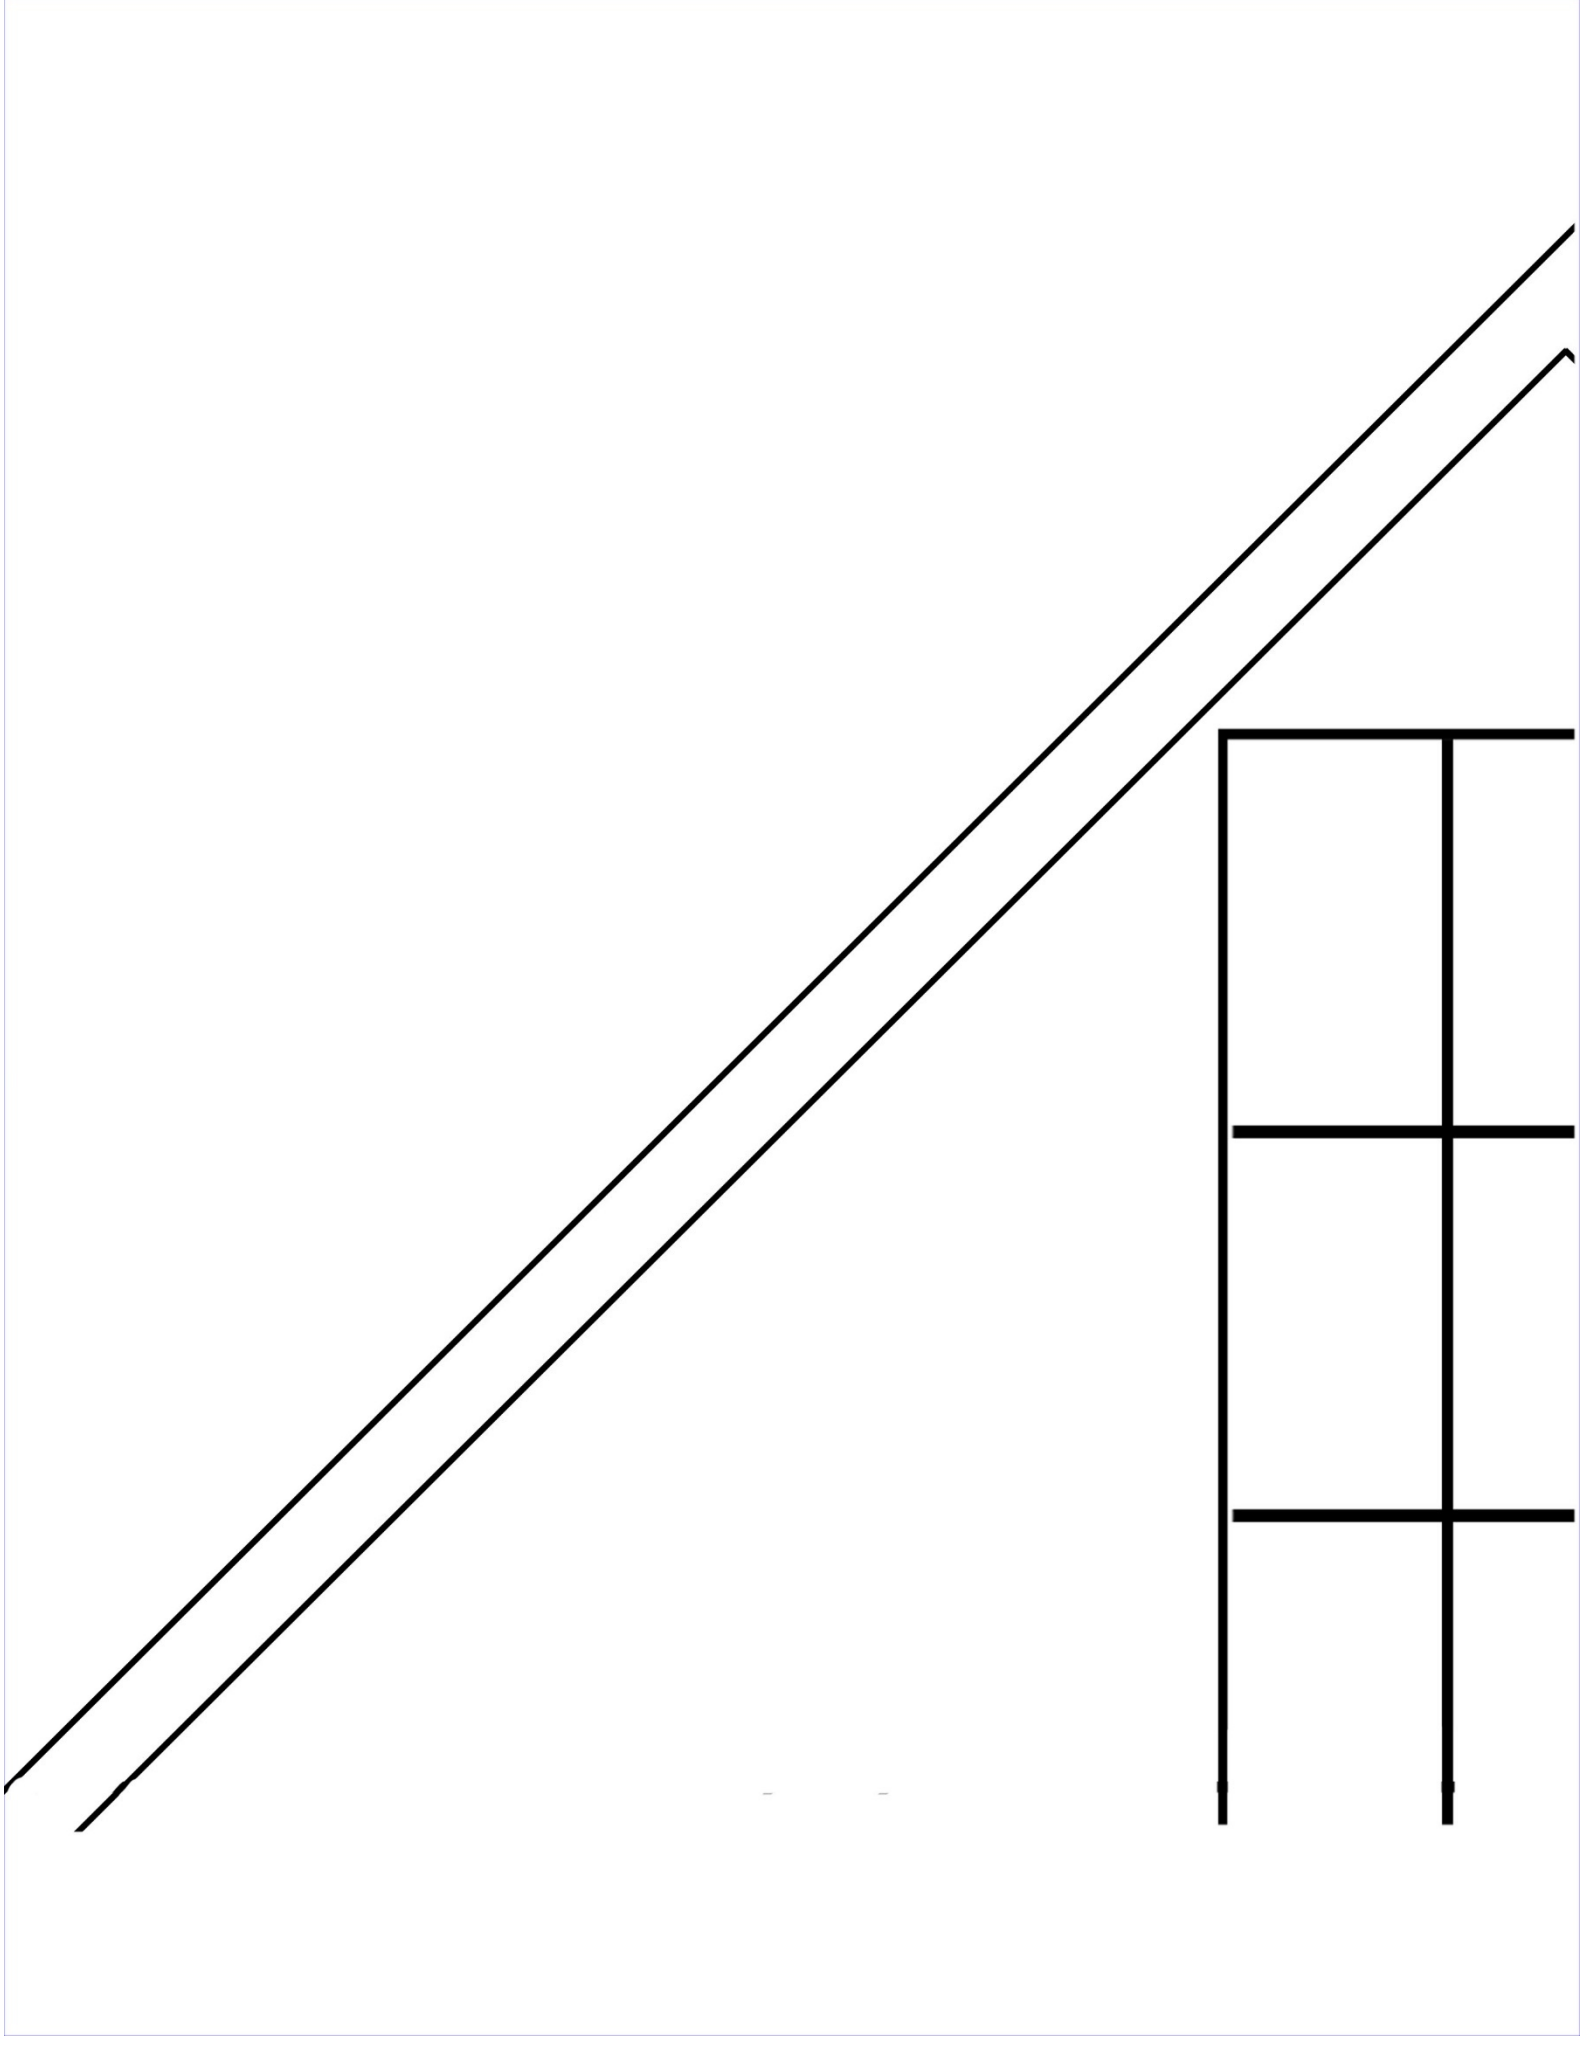

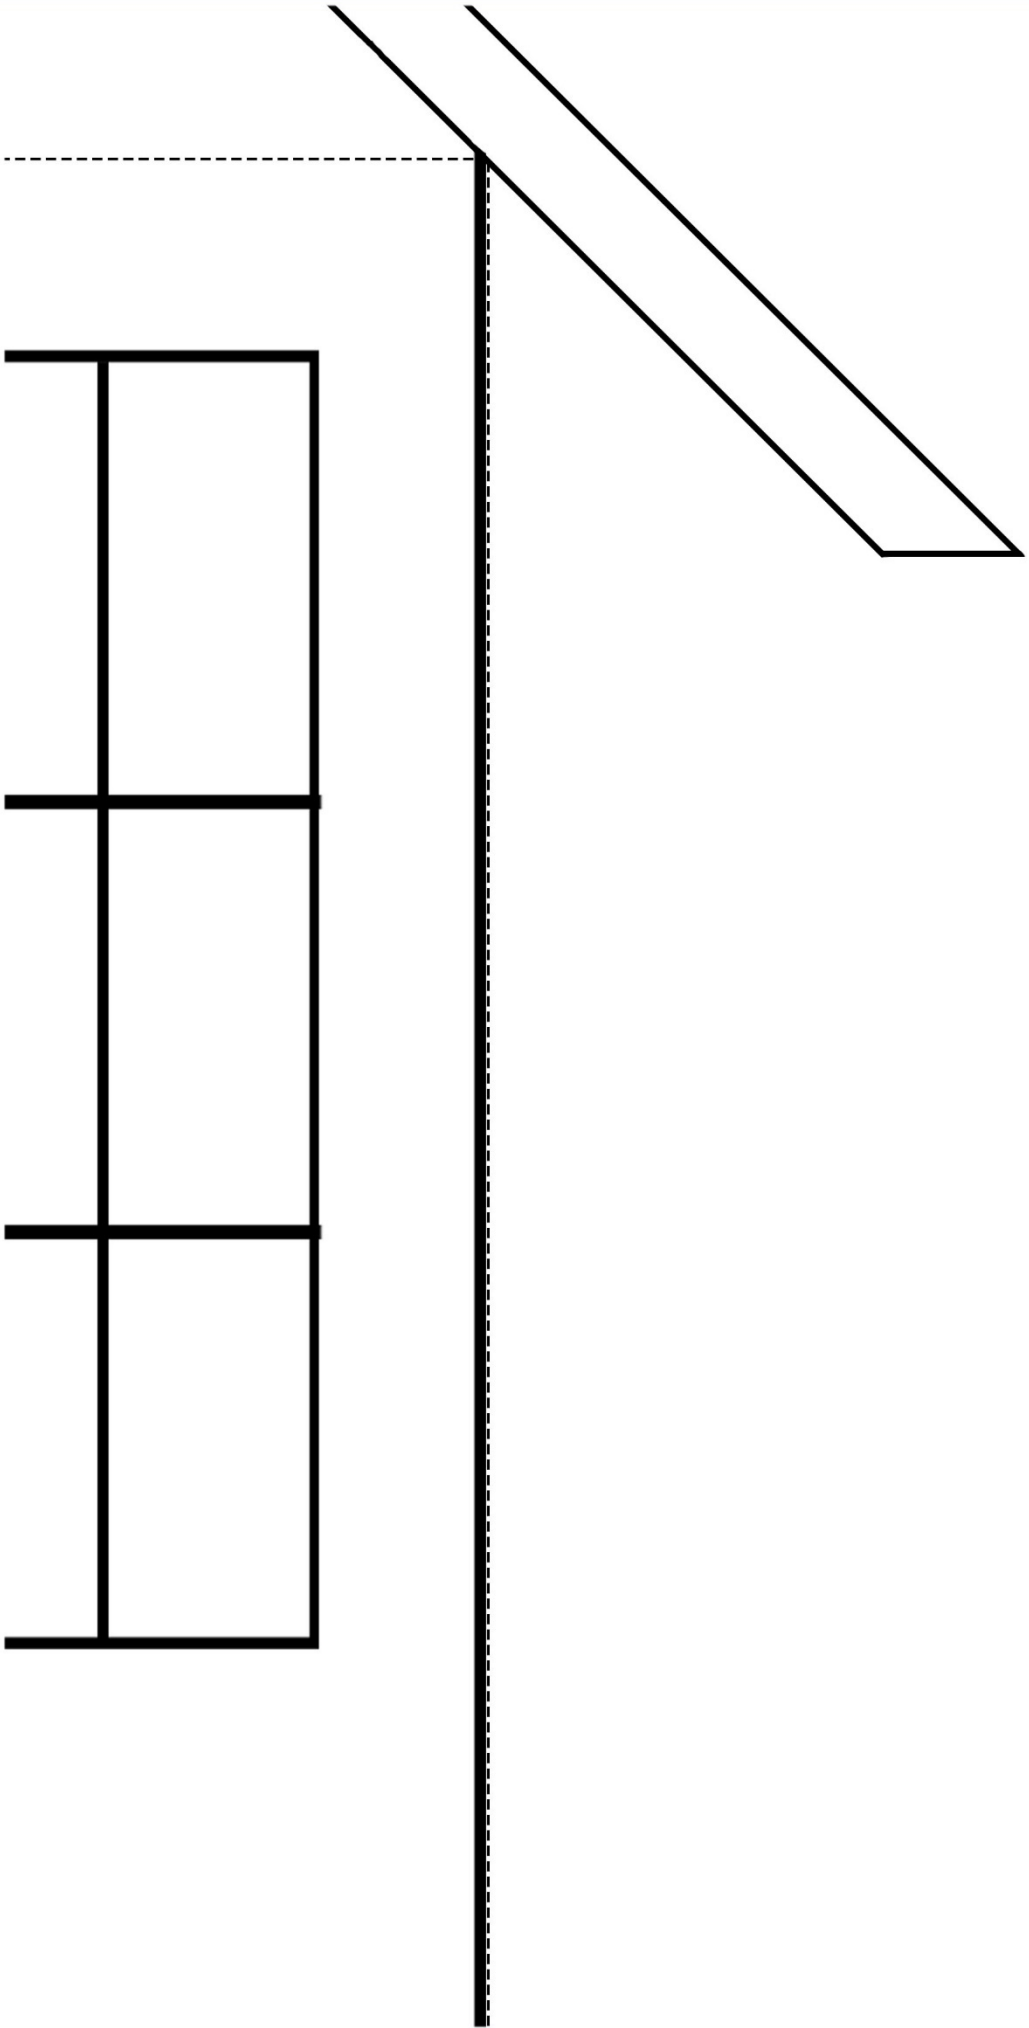

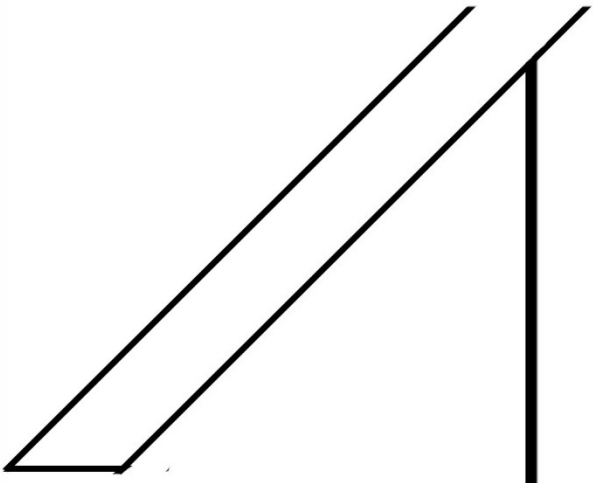

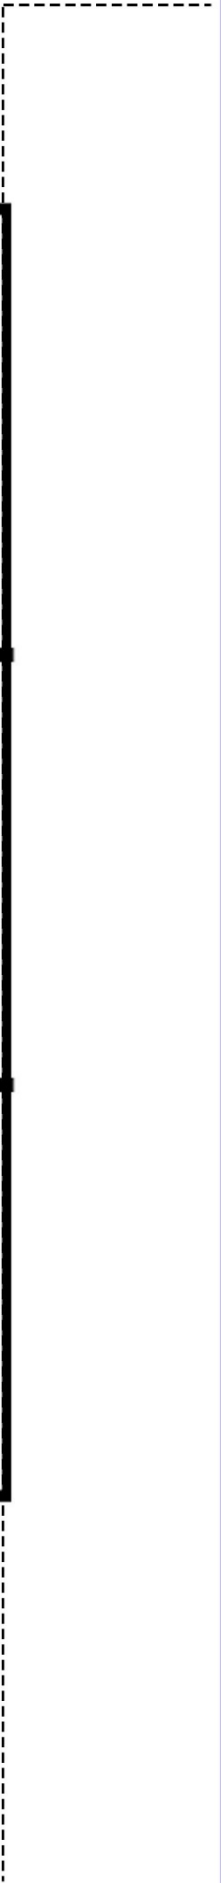

---

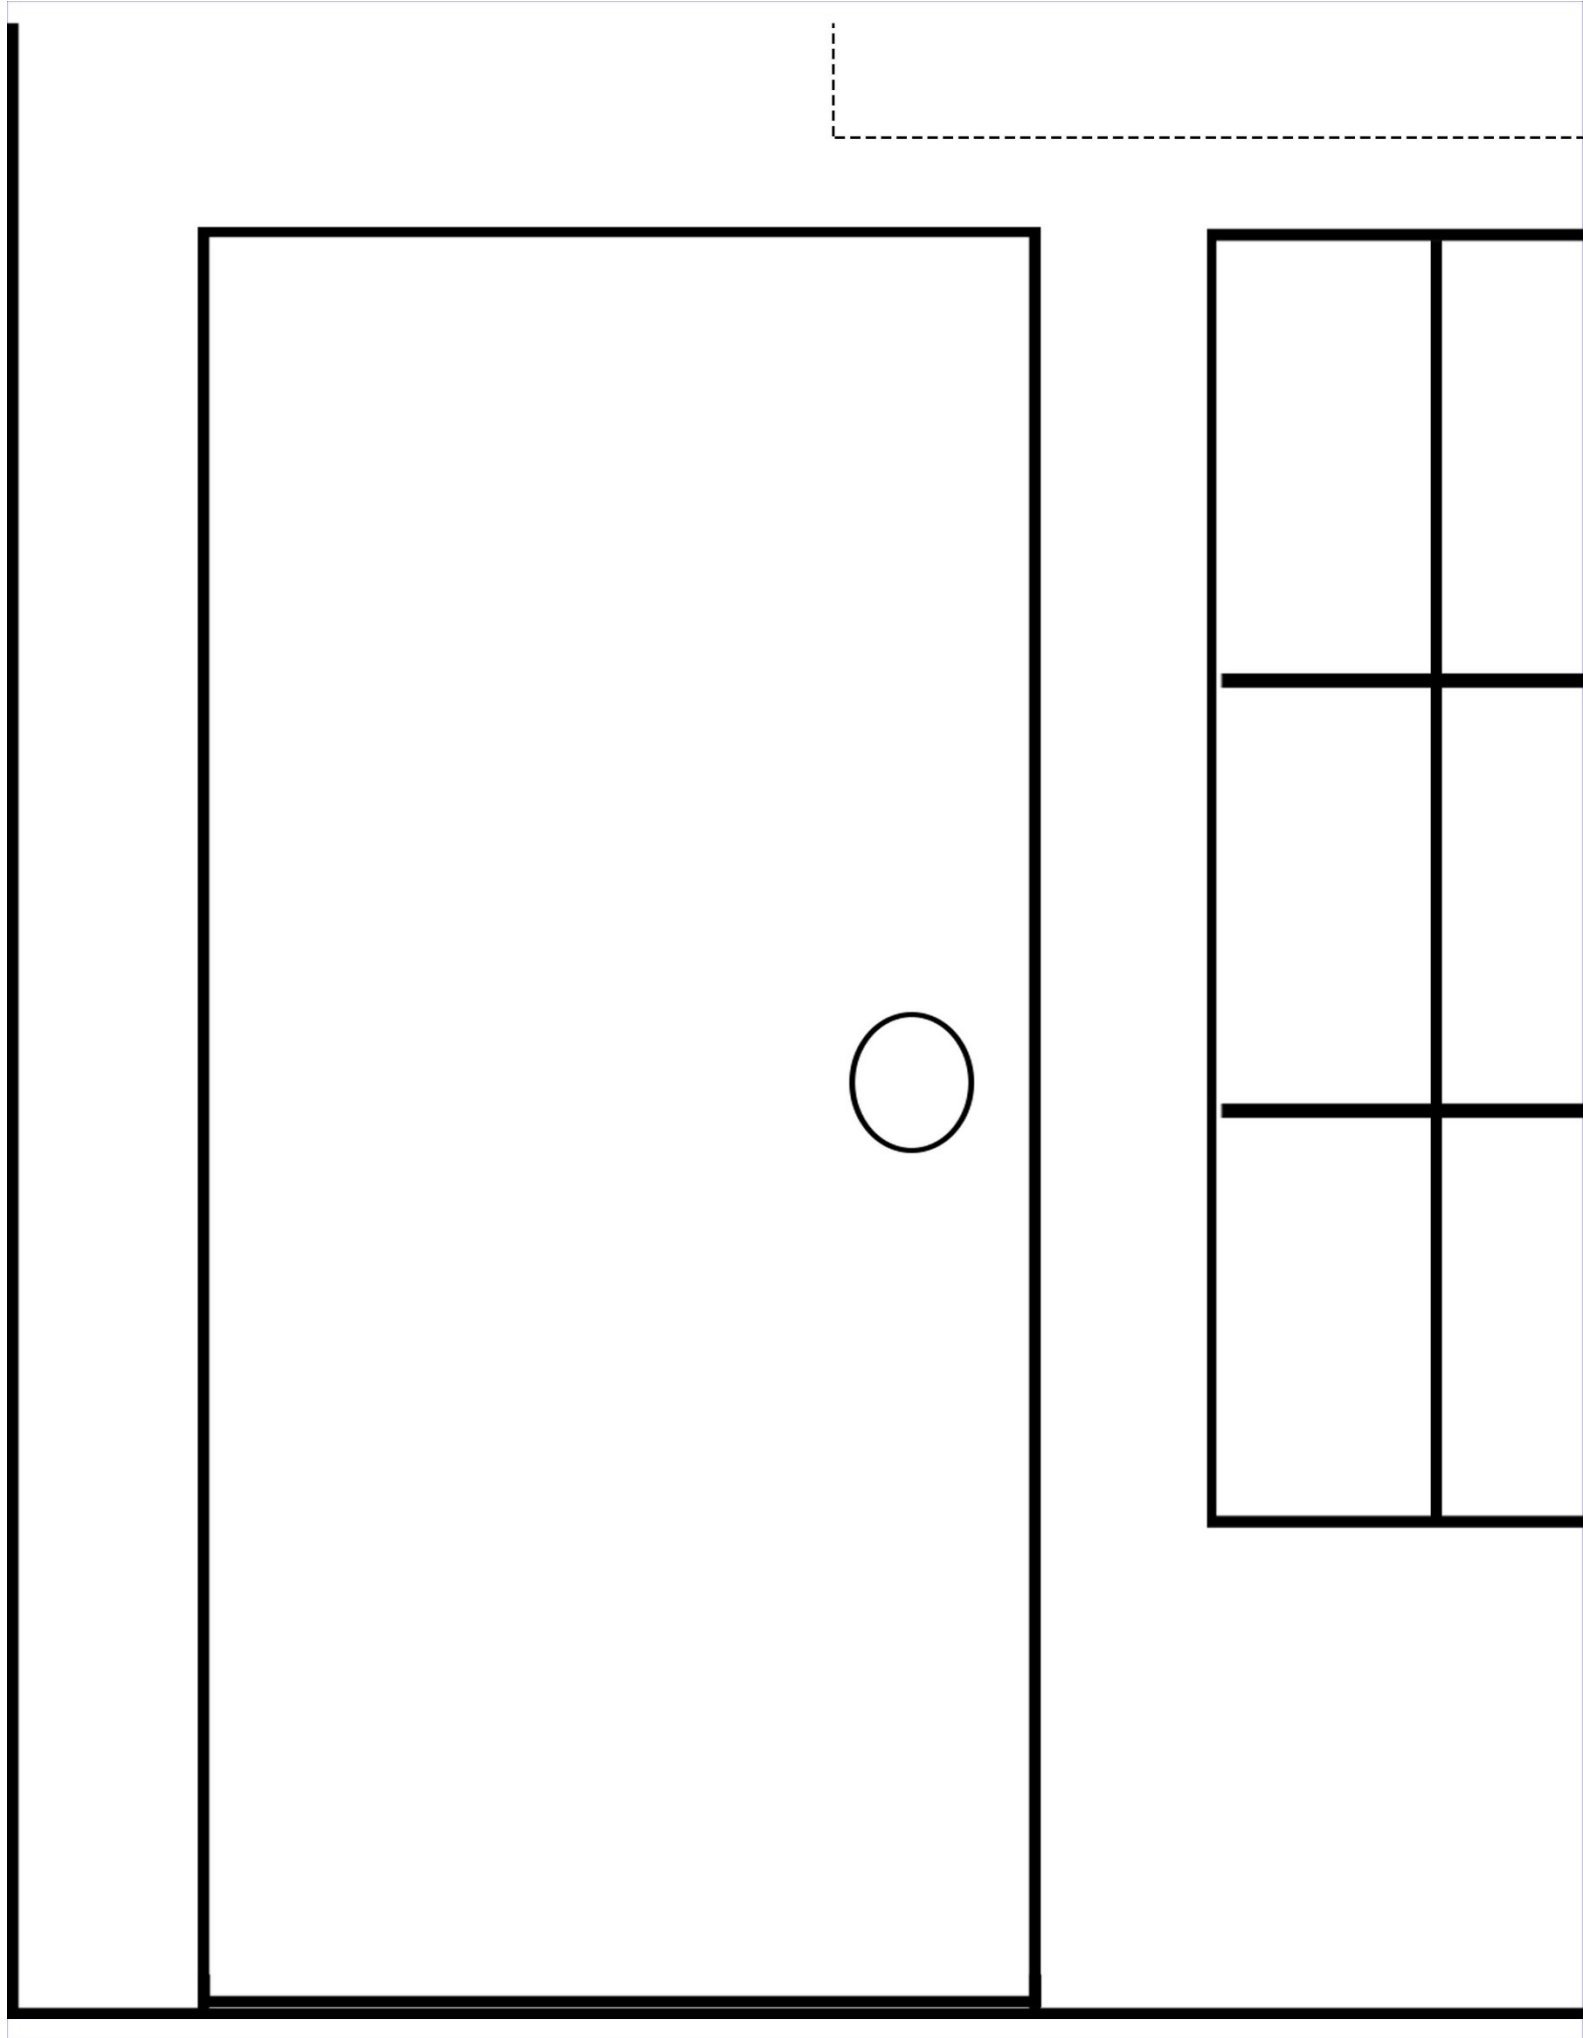

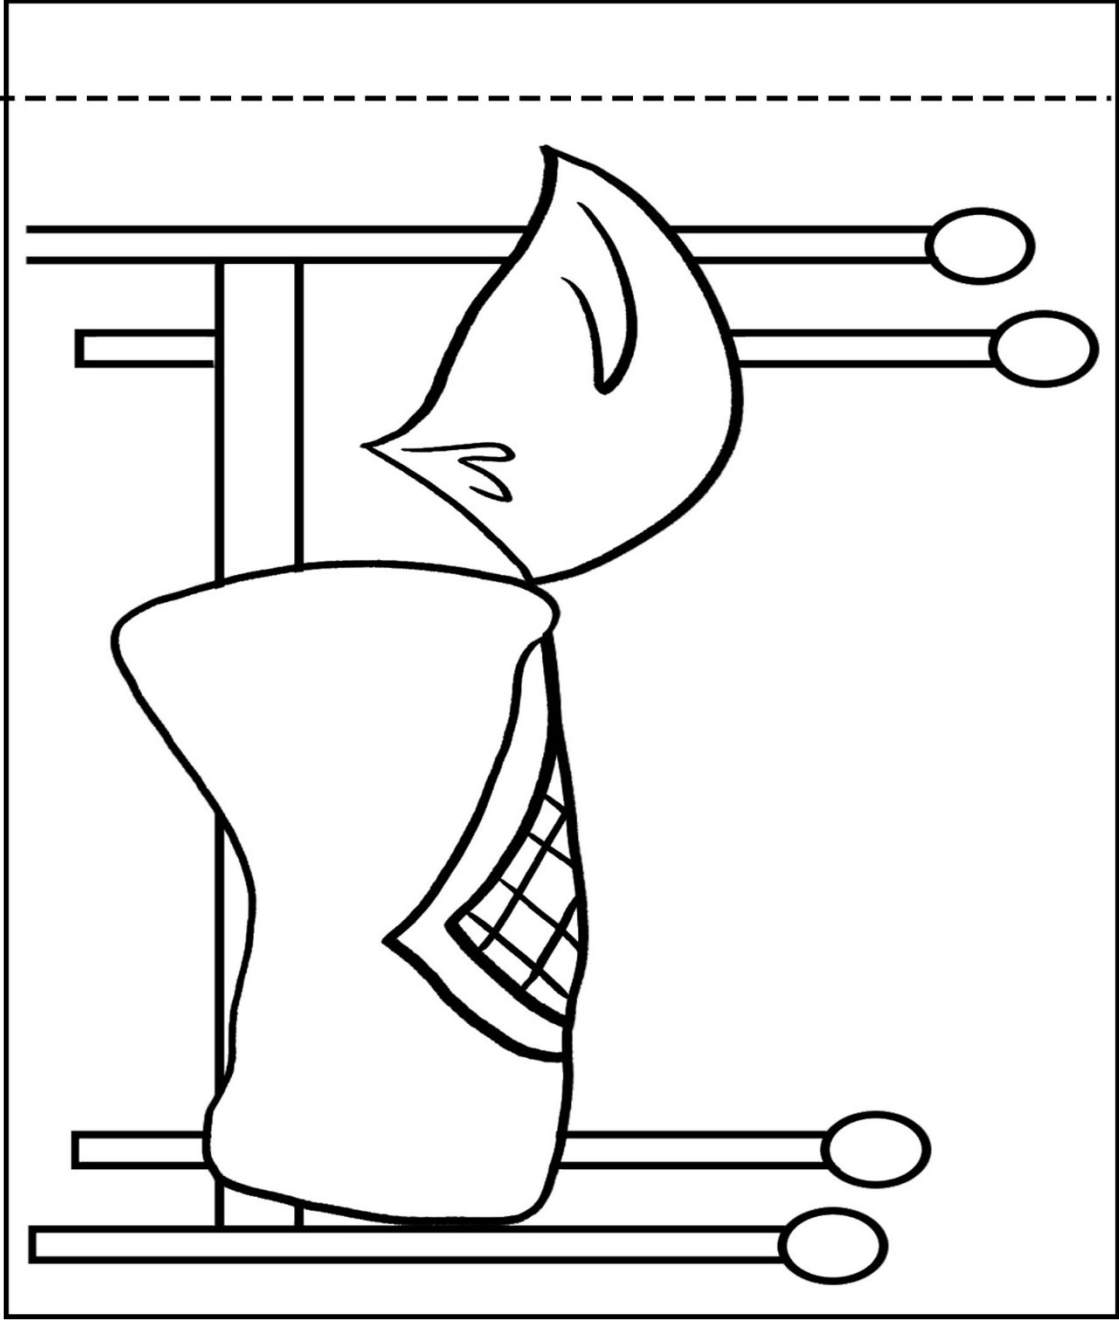

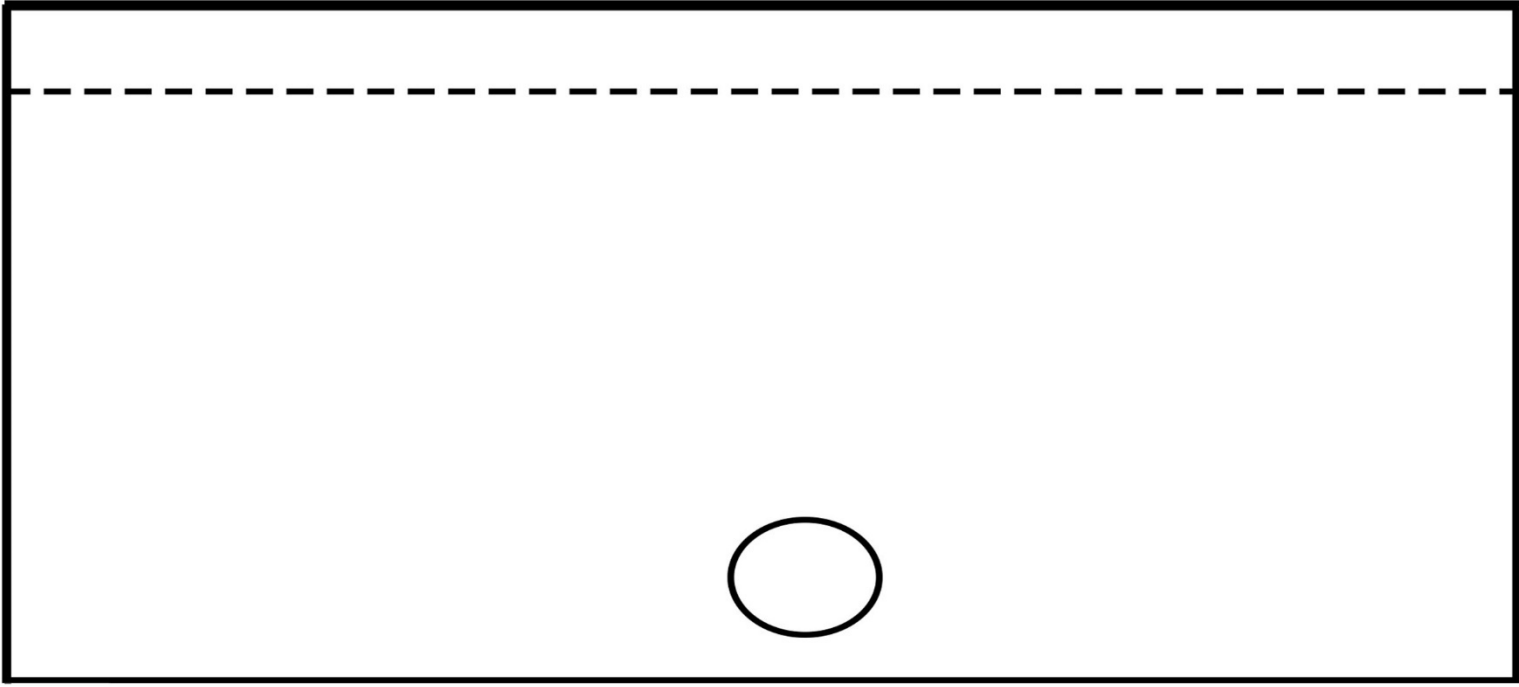

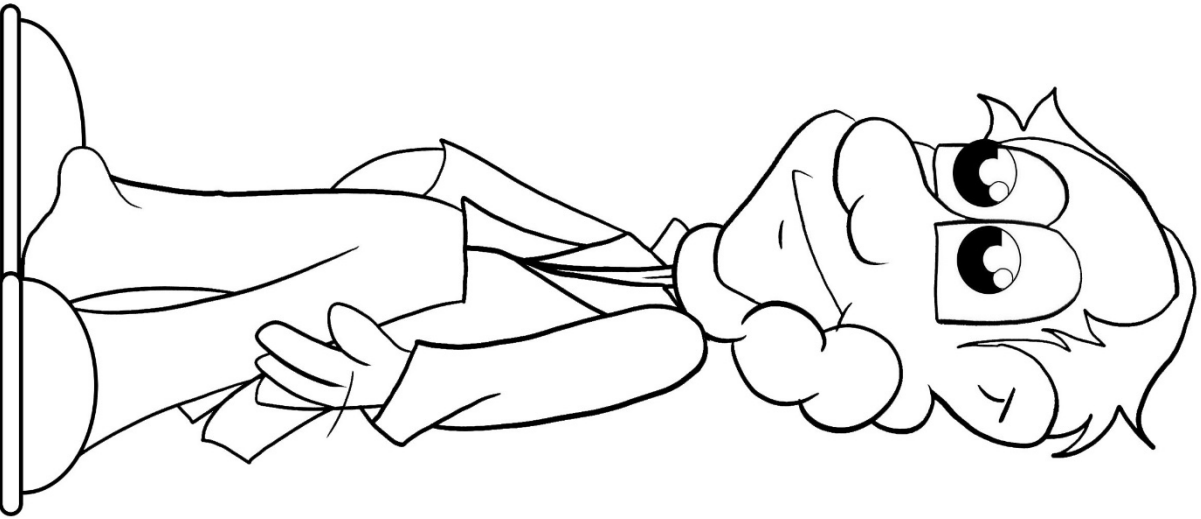

---

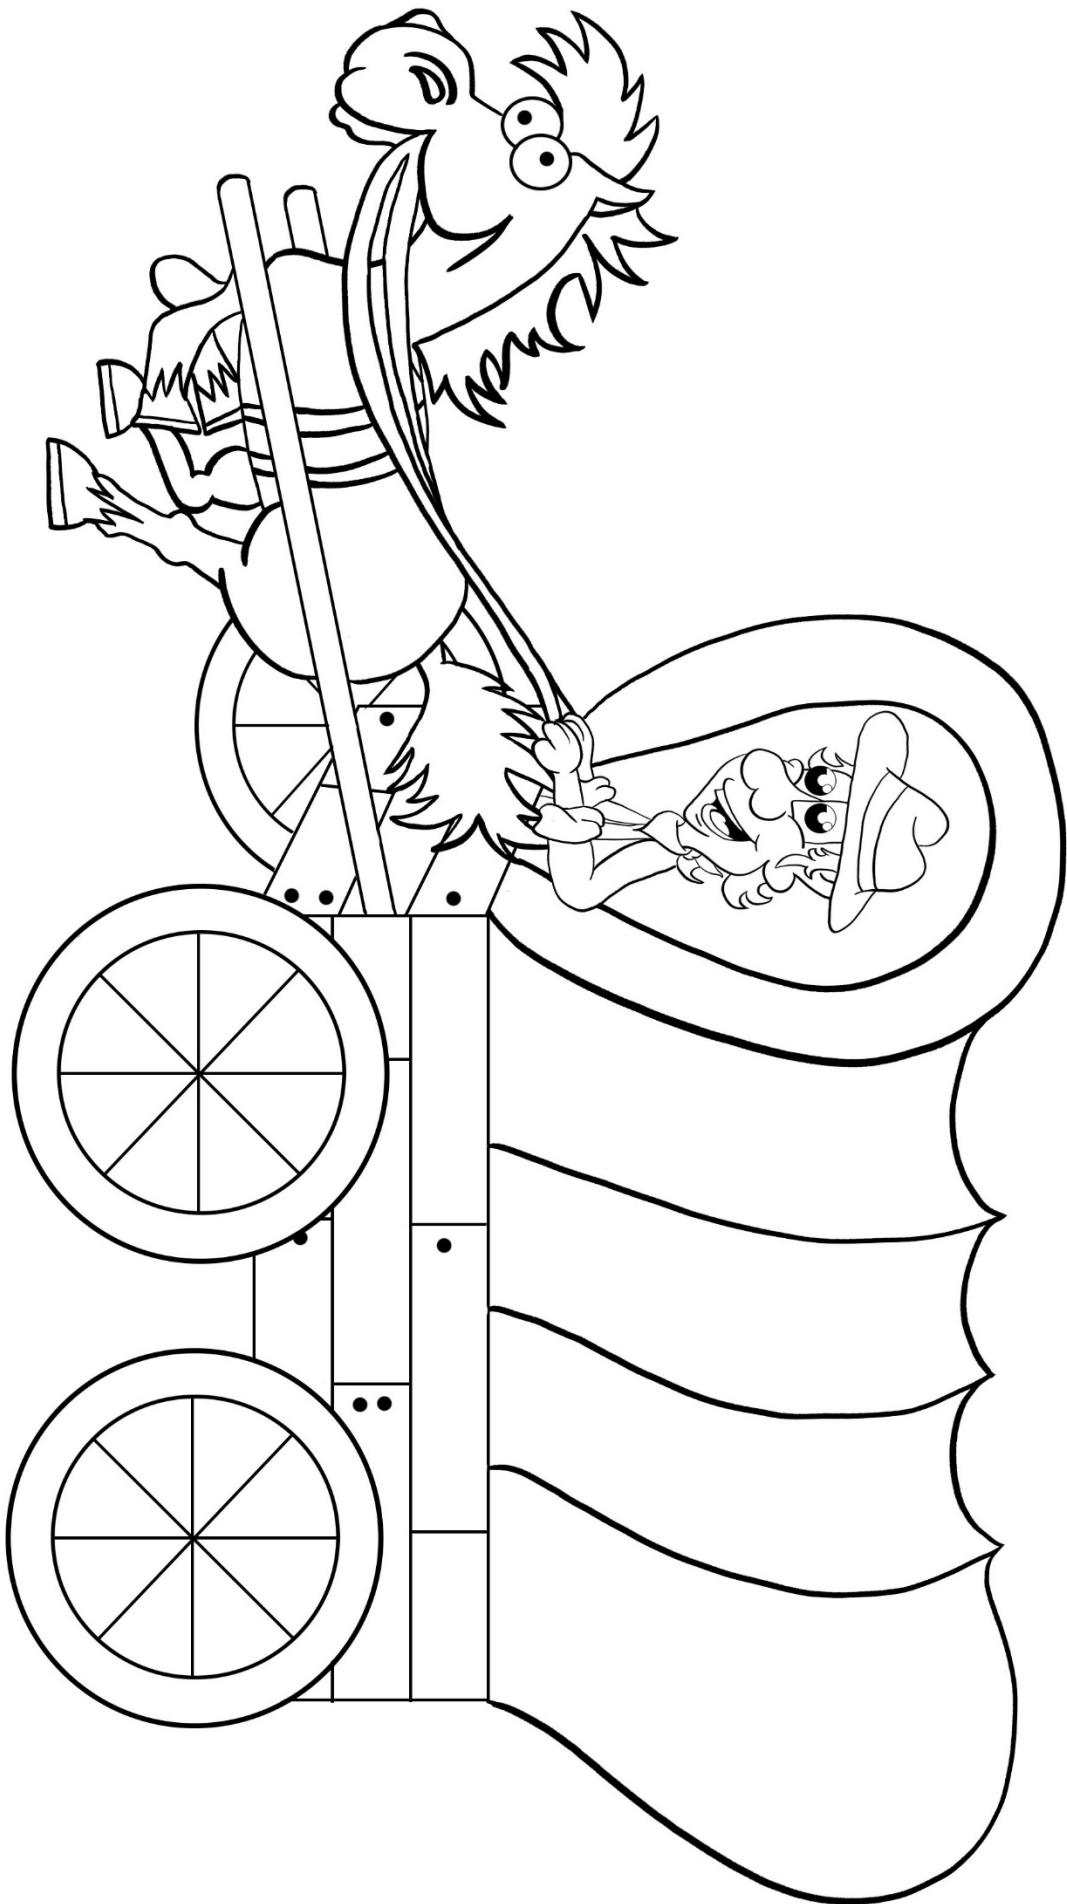

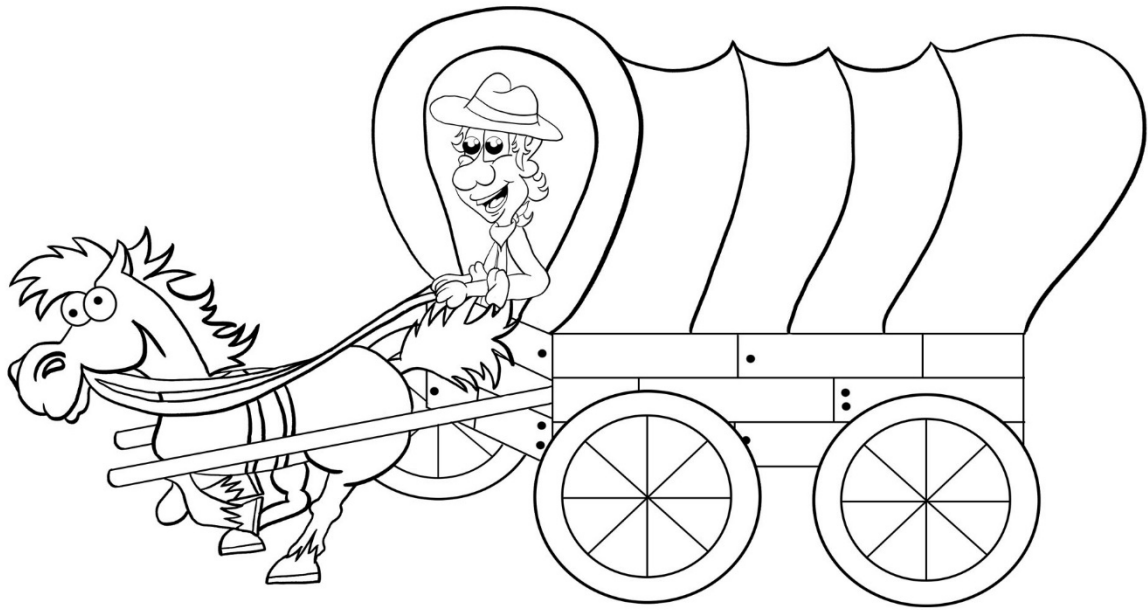

Write down the things you would take with you if you had to leave your homes and travel a long distance in a wagon or handcart.
